

PORTABLE SERIES

The portable solar panel developed by GermanSolar is convenient for users to carry it outdoors and use it anywhere.

FOLDABLE

60W
100W
200W

Wherever you go wherever the sun shines, GermanSolar's Foldable Series are perfect for your adventures as backup power to your electronic devices and alternative power source.

APPLICATIONS

GermanSolar Portable Series are perfect for outdoor adventures or as backup power.

The foldable Solar Panel 60W/100W are suitable for phones and tablets. The solar panel adopts high efficiency MONO solar cell with a conversion efficiency of up to 25% designed with ETFE-laminated and IP68 water-resistant rating which provides ultra protection and durable enough to extend the solar panel's lifetime. A perfect choice for all of your travel, camping and adventure needs.
